[www.refestramus.com](http://www.refestramus.com)

**REFESTRAMUS** is a genre-bending progressive rock band known for their quirky storytelling, vintage flair, and bright, ear-catching melodies. Based in Chicago, USA, Refestramus has convinced audiences both sides of the Atlantic that there's tons of fun to be had, even in odd time signatures.

Founded by songwriter, drummer, and part-time wizard Derek Ferguson, Refestramus is excited to perform with bassist and vocalist Jan Christiana, keyboardist and vocalist Dyanne Potter Voegtlin, and a star-studded lineup of guests including David Jackson (Van der Graaf Generator), Alex Hutchings (Steven Wilson), Gareth Cole (Tiger Moth Tales), and Zoey Witz (Cathy Richardson)
